STREIT LAUNCHES A NEW RANGE OF ARMORED VEHICLES & PATROL BOATS AT IDEX 2019

STREIT, one of the world's largest armoured vehicle manufacturers will launch a range of new armoured vehicles, armoured patrol boats and alliance partnerships at the International Defence Exhibition and Conference (IDEX), which is being held in Abu Dhabi from 17th – 21st February, 2019.

STREIT's participation in IDEX 2019 consists of a military camp themed stand; located at Central Plaza CP-219. For the event, STREIT is showcasing 22 Vehicles on static display. In addition, STREIT will also present the manoeuvrability and performance of 14 advanced performance vehicles during the live demonstration sessions on 18th, 19th and 20th February 2019 from 2:00pm to 2:30pm. STREIT is also demonstrating it's newly launched Armored Boats at NAVDEX (Stand # OW-B).

The International Defence Exhibition and Conference (IDEX) is the most strategically important tri-service defence exhibition in the world. IDEX 2019 is the only international defence exhibition and conference in the MENA region demonstrating the latest technology across land, sea and air sectors of defence. IDEX is a unique platform to establish and strengthen relationships with government departments, businesses and armed forces throughout the region. In this exhibition, more than 1200 exhibiting companies and around 100,000 attendees from across the world are expected to attend this event.

Commenting on the participation in IDEX, Guerman Goutorov, Chairman and CEO of Streit Group, said that IDEX is one of the most significant international conferences and exhibitions in the industry, which provides opportunities

for specialized companies and factories to showcase their products and introduce customers and partners to the unique features of these products and technologies.

He added, we are very proud to be a part of IDEX again, 6th edition in a row. This shows the trust and relationship between STREIT and the UAE. I am confident that STREIT will entice special attention by displaying our robust range of armoured vehicles while attracting new clients and friends to our customer base. We also hope to show something new to our previous customers joining us here this week to discuss more opportunities in the region where STREIT shall fulfil the needs as per threat and situation of region.

STREIT LAUNCHES A NEW RANGE OF ARMORED VEHICLES & PATROL BOATS AT IDEX 2019

He further added that the Group intends to enter into partnerships with third-parties with relation to the supply of advanced equipment for military vehicles. At STREIT, we focus primarily on identifying and delivering against our customer's needs, while also developing an after-sales support program that ensures our vehicles continue to operate at peak performance long after the warranty period expires. I am excited about the continuous past achievements and look forward to a successful and an exciting start to 2019.

STREIT anticipates their most demanding product line and strong relationship with middle-eastern countries to be a huge success. STREIT's continuous support to military and police forces around the world is the main reason of earning a reputation as a trusted and reliable partner to governments worldwide and considers these factors with confidence that IDEX will bring a huge success to the company.

About STREIT Group

STREIT Group is one of the world's leading, privately owned armored vehicles manufacturers with 12 state-of-the-art production facilities and 25 offices around the world. We produce a vast range of Armored Personnel Carriers, Cash-In-Transit, luxury and personal protection vehicles which are designed to provide effective protection in high-risks situations for more than 25 years.
